Ordering a pizza

Ordering a pizza. You dial the number oh, shoot! You get a busy signal. Your stomach's growling like a bear. You feel like a pizza with "everything on it". You find the phone book and look up the number for "Exotic pizzas".

- Hello. This is "Exotic Pizza". What can I do for you?
- Great! Thanks a lot!
- You call back after 10 minutes.
- Hmmm. Medium.
- I'd like a pizza with everything in it.
- O.K. sir/ma 'am. That's one medium - sized pizza and one large coke. It's 5:15. if we're not there in one half hour our policy is that you get your pizza free.
- A coke...large.
- Would you like anything to drink with that? Drinks also come in small, medium and large.
- No, that's all.
- What size sir/ma'am. Small, medium or large?
